

EQUIPMENT KIT CHECKLIST **SE2A "Triple Combo"**

OPERATION AND SAFETY:

PHANTOM POWER ONLY

This microphone requires phantom power to operate. It will only function with a device capable of providing phantom power.

PACKING AND STORAGE:

Improperly packed kits will result in a fine!

Unlike most Department mics, remove the SE2A from its shockmount and insert them into their respective foam compartments (see photo).

Make certain a condenser capsule is attached to the mic.
Take extreme care not to damage the threading!
Do not pack the mic without a condenser capsule attached!

Take care to pack the extra condenser capsules carefully, placing each in their plastic baggie:
Do not push on their protective mesh covering, and do not push them too far into their slots.

Make sure to secure the case buckles correctly.

PACKING EXAMPLE:

In the event of accident or mishap with this equipment, contact the F&DM Checkout Lab Specialist immediately:
Phone (831) 459-4062 – Email fdmcheckout@ucsc.edu

In the event of medical emergency, dial 911.
