

EQUIPMENT KIT CHECKLIST

Sony ECM-44B Lavalier

OPERATION AND SAFETY:

BATTERY POWER ONLY

This microphone should be powered by AA batteries only. DO NOT use phantom power in conjunction with this mic!

PACKING AND STORAGE:

Improperly packed kits will result in a fine!

Remove battery and place it in its storage compartment, and close the power module (screw back together). Take care not to damage the threading. Do not leave the battery in the microphone's power module!

Wrap the mic cable in gentle loops, and insert the microphone's head into its foam cradle.

Fit the windscreen on its storage peg.

Place the lapel mic clip in its storage compartment.

PACKING EXAMPLE:

In the event of equipment accident/mishap, contact the F&DM Checkout Lab Specialist immediately:
Phone 831-459-4062 – Email fdmcheckout@ucsc.edu
In the event of medical emergency, dial 911.
